

# Receiving More New Goods

We are receiving new goods that we bought from men on the road for spring delivery and were unable to cancel them as the manufacturers had accepted the orders in good faith and made same up for us and we were forced to live up to our agreements. Below is a line up on a bunch of new stuff such as Hosiery, Dresses, Skirts, Silks, Piece Goods, Gingham, Dresses, Lawns, Wrappers, Staples and Notions of all descriptions of which have reached us this week and will be sold at cost with exactly the amount of freight that costs to bring them to Clovis. Also remember that everything else in the house is going and going fast but lots more left for you. Bring your purse. We will not charge anything else.

Current reports are out that we are not going to leave but take this much from us Miller & Kimberlin are going to leave, and leave just as soon as we get our stock a little lower we are arranging our shipments now getting rates and etc. We have sold show cases to Kendall dry goods company, Whiting 5 & 10c store and Barry Hdw. Co., and more yet for sale. That ought to be good indications that we are preparing to leave and that very soon.
